Re: Engagement of Whitaker Forensic Accounting - Assistance to Counsel (Kovel)

Dear Ms. Whitaker:

This letter confirms the engagement of Whitaker Forensic Accounting ("you" or "the Firm") by L&L Associates ("we" or "outside counsel") to assist us in rendering legal advice to our client, Cascade Timber Holdings, in connection with the internal review of the Coastal Solar Credit Program and related litigation that we reasonably anticipate.

You will perform forensic accounting analysis of parcel payment records, credit sale proceeds, and related disbursements identified by counsel. Your work will be performed solely at our direction and for the purpose of enabling us to provide legal advice to our client; you will not provide accounting, audit, or tax services to Cascade Timber Holdings directly.

All communications between you and this Firm, and all work papers, analyses, and deliverables prepared in connection with this engagement, are confidential and are intended to be protected by the attorney-client privilege and the work product doctrine, consistent with the principles of *United States v. Kovel*. You will deliver all work product exclusively to this Firm, will mark all deliverables 'Privileged & Confidential - Prepared at the Direction of Counsel,' and will not communicate regarding this engagement with any third party, including the client, without our prior instruction.

Fees will be billed to and paid by this Firm per the attached rate schedule. Please countersign and return this letter to confirm.

Sincerely,

Grace Lin
